RE: Aeronca, Inc.

Dear Ms. Sullivan:

I have been retained to represent Aeronca, Inc., which you have identified as a potentially responsible party at Skinner Landfill. I have received and reviewed the March 29, 1991, notice and information request letter to the company, and I am in the process of working with company officials in gathering information responsive to that request. I very much appreciate the patience you have shown to date in awaiting our reply, and we will be responding at our earliest opportunity. Please add my name to your records as the person to whom correspondence should be sent regarding the company.

My file contains your April 10, 1991, letter to H. D. Pratt enclosing four letters regarding waste sent by the company to the landfill. I would appreciate receiving any additional documents in your possession that connect the company to the site. That information will greatly assist us in determining our approach to this matter.

Thank you for your attention to the above.

Yours truly,

SAMUELS AND NORTHROP CO., LPA
